

KAREENA

GREEN ASSURANCE CARD

Straight out of our Green range, KAREENA, is designed to suit all office seating needs. Crafted to add to the aura of corporate settings with dignity and elan, this chair is great for important discussions, adding elegance and finesse to the gathering. It is ergonomically designed for the comfort and convenience of all, and environment friendly in its construct and material too.

Model: KAREENA Visitor 9P12TX

CERTIFICATIONS

95%
Recyclable Content

**ISO
14001**

ENVIRONMENT FRIENDLY MATERIALS

It uses steel as a major material content that is indefinitely recyclable at the end of its life.

ENVIRONMENT FRIENDLY PROCESSES

The powder coat painting process used is free of VOC emissions.

RECYCLED MATERIALS

We use and promote recycled materials in the products as well as in its packaging.

Pre-consumer Recycled Content : 3%
Post-consumer Recycled Content : 7%

LOW EMITTING MATERIALS

We use only low VOC glues for fabric upholstery of the chair.

END OF LIFE

The product is designed to maximize its recyclability by making use of carefully selected materials and easy dismantling with simple hand tools. Godrej Interio, through its Recycling Programme "WECYCLE", supports safe and environmental friendly ways to recycle the product.
