

GALLOP

GREEN ASSURANCE CARD

Our eco-friendly materials and processes make the GALLOP chair stylish & cozy. It is ergonomically designed for optimum comfort.

Talk about functionality with detailing and Gallop is designed just for that. Its unique features not only provide convenience at your beck and call, but also guard your body from common urbane ailments like backache, fatigue etc.

Model: GALLOP 9T02AS with fabric upholstery.

CERTIFICATIONS

98%
Recyclable Content

ISO
14001

ENVIRONMENT FRIENDLY PROCESSES

The powder coat painting used is free of VOC emissions.

RECYCLED MATERIALS

We use and promote recycled materials in the products as well as in its packaging.

Pre-consumer Recycled Content : 7%
Post-consumer Recycled Content : 10%

LOW EMITTING MATERIALS

The Gallop chair is available with GREENGUARD Certification for Indoor Air Quality.

END OF LIFE

The product is designed to maximize its recyclability by making use of carefully selected materials and easy dismantling with simple hand tools. Godrej Interio, through its Recycling Programme "WECYCLE", supports safe and environmental friendly ways to recycle the product.
